WHEREAS, municipalities, such as borough, townships and school districts have the right under Pennsylvania law to file an assessment appeal at any time; and,

WHEREAS, the Borough of Lansford believes that the cost of a county wide reassessment would be in excess of Ten Million (\$10,000,000.00) Dollars ; and,

WHEREAS, the Borough of Lansford believes that such a cost does not justify the return for municipalities like Lansford; and,

WHEREAS, there has been significant expression by a school district to call for a county wide reassessment.

NOW, THEREFORE, BE IT RESOLVED, that the Council members of the Borough of Lansford hereby oppose any consideration of a county wide re-assessment because the Members of Council believe that the costs which will be incurred will not be justified by the return which will be realized by a municipality like Lansford Borough.
