

**FRIENDS OF LANSFORD RECREATION  
SUMMER CONCERTS  
2024**

Dear Future Concert Supporter:

The summer of 2024 is gearing up to be fun filled with two big concerts planned in Lansford's **JFKennedy Park Route 209**.

The **first** concert we welcome the local polka band that originated in our own Andrewsville section of Lansford. Who else but **The Villagers!!**

They will be performing on **Thursday, July 4th from 6-8 p.m.** We hope to have an old fashioned time in the park prior to the performance. We have **Phil's French Fries food truck** for those who are hungry for a burger/fries/pierogies, etc. We also have **Delacruz Delites** booked with their delicious cookies, cupcakes, and other sweets. Both Phil's and Delites will be ready to go at the **4 p.m. hour!!**

The **second** concert has us bringing back the ever popular **Large Flowerheads from the Lehigh Valley**. This will be their third consecutive concert in Lansford and draws a great crowd! This one will be held on **Friday, August 9 from 7p.m. - 9:30 p.m.** We will have two food trucks on site, **McHugh's Catering** and **Phil's French Fries plus Delacruz Delites** bring their goodies for those with a sweet tooth. Also, the **Panther Valley High School Class of 1974 will gather at this event in preparation for their 50th reunion on 9/10/24.**

So, you see, these two events will be nothing short of wonderful summer nights in fresh air, good friends, and wonderful music.

In order to make these concerts possible, we are asking for sponsors to help us defray the cost of the concerts.
